MTB

A male mountain biker is captured in a dynamic pose, leaning forward while riding a full-suspension trail bike. He is wearing a white helmet, purple-tinted sunglasses, and a red and black cycling jersey with 'RUB' and 'HID' visible. His shorts are black with white and red accents. The bike has a black frame with yellow accents on the front fork and tires. The background shows a grassy hill, trees, and a blue sky with scattered white clouds. A tall black light pole stands on the right. In the distance, another rider in a blue jersey is visible. The overall scene is bright and sunny.
